SUBJECT: Medication Guide for Foster Families

Provider Information Notice (PIN) Summary

This PIN is intended to provide information to Foster Families and Resource Families regarding medication management for youth in foster care.

The Community Care Licensing Division, Children's Residential Program in cooperation with the Technical Support Unit, is pleased to announce the posting of our Medications Guide for certified and licensed foster families and Resource Families.

It is our vision that this resource will serve to educate families, foster family agencies and licensing staff on how to ensure compliance with licensing laws and regulations as well as provide technical assistance and best practice related to medication management.

We invite you to view this resource online from our Resources for Licensee's page at <http://www.cdss.ca.gov/inforesources/Community-Care/Resource-Guide-for-Providers> . We hope that this guide is valuable tool for individuals working with youth in foster care. Please view the guide and share accordingly. For technical support, please contact the Technical Support Unit at: Technicalsupportprogram@dss.ca.gov.
